

YARD DUTY & SUPERVISION POLICY

Help for non-English speakers

If you need help to understand the information in this policy, please contact the school office.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Diamond Creek Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Diamond Creek Primary School's grounds are supervised by school staff from 8.45 am until 3.45 pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through newsletters that they should not allow their children to attend Diamond Creek Primary School outside of these hours. Families will be encouraged to contact the school office for more information about the before and after school care facilities available to our school community.

If a student arrives at school unaccompanied by an adult, before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)

- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All teachers at Diamond Creek Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The staff member allocated the Yard Duty roster role, is responsible for preparing and communicating the yard duty roster on a regular basis. At Diamond Creek Primary School, teachers will be designated a specific yard duty area and time to supervise

Yard duty zones

The designated yard duty areas for our school

Zone	Area
Zone 1 TOP	Shade sail level, including rear of Inglis Building Toilet breezeway Historical building level Upper level up to the bridge leading to the Ness Reserve Pre-School Adventure playgrounds in this area
Zone 2 BOTTOM	Bat tennis and veggie garden level Toilet breezeway Garden area (Fairy Garden) Tiger Turf area Basket ball/Netball court area Adventure playgrounds in this area

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests are individually allocated
- carry the yard duty bag containing first aid supplies at all times during supervision.
- be familiar with the yard duty information pack containing student health and safety information stored in the yard duty bags

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass, and report to class teacher and principal
- If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the yard duty coordinator with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the yard duty coordinator but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should phone the office or send students to the office to report the problem, and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

In inclement weather students will remain in their classrooms supervised by teachers as per the inclement weather supervision roster.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Principal for assistance with major issues, and the neighbouring teacher for minor issues. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#) (including Camps).

Digital devices and virtual classroom

Diamond Creek Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Diamond Creek Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be most likely be supervised in the shared learning area.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored daily
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Other areas requiring supervision

Moving children around the school

- Care needs to be taken in allowing students to leave the room to work in other areas of the school.
- Use of students as monitors outside the room during class time must only occur with the approval of the Principal
- Children must move around the school in 3s for safety (if on errands and toilet breaks for example) – there is no exception to this rule
- Student behaviour when moving around the school must be of an acceptable standard
- Teachers need a method of monitoring the safety and behaviour of students moving about independently.
- Discretion is to be used when allowing students to visit the toilet during class time.

COMMUNICATION

This policy may be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in the staff handbook
- Made available in hardcopy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
