Rationale

Diamond Creek Primary School recognises that the education of all children is a shared responsibility and partnership between the staff, parents and students. Diamond Creek Primary School recognises and values all parents and guardians of the students at the school, residents and neighbours of the local area and members of local business and organisations as part of the school community.

Aim

The school strives to provide a happy and caring environment with a commitment to meeting the educational needs of its students in particular, and the school community in general and in return seeks assistance and support from parents and guardians.

Implementation

In providing a high quality education for students, the school expects parents and guardians to:

- Support the school's principles of
 - Everyone has the right to work as much as possible, and
 - Everyone has the right to feel safe and comfortable at all times.
- Notify and inform the school office immediately if any changes should occur to child's emergency/ enrolment information records.
- Never confront another person's child about any issues pertaining to them and their child(ren).
- Maintain friendly and courteous manner at all times in the presence of the students, staff and other members of the community.
- Read and be well informed of current school related events on the school's website and in the newsletter.
- Speak initially with the classroom teacher in respect to any concerns relating to their child.
- Recognise and support matters of confidentiality
- Be actively involved, to the best of your ability, in the activities and programs of the school.

In the event of a parent seriously breaching the code of conduct, the School reserves the right to:

- Give the parent(s) an oral warning
- Issue a written warning, or
- Issue trespass notification.
